

NOTICE TO WAACC INSTRUCTORS

Wetaskiwin Program Guide, circulated throughout the City of Wetaskiwin, the County of Wetaskiwin and the Town of Millet, is mainly how the WAACC promotes its courses and ongoing activities at the Craft Centre. The Program Guide is published three times a year - there are stringent deadlines by which community organizations, such as WAACC, must have their entire schedule of programs edited, checked to ensure there are no date or use of craft room facility conflicts, put into a prescribed format and submitted to the City/Wetaskiwin Community Learning Council.

To assist WAACC instructors with future course planning, here are the deadlines for Fall 2017, Winter 2018 and Spring/Summer 2018 programming. Please keep this notice on file to ensure your course information is submitted to WAACC Program Coordinator in plenty of time to be processed.
